

Dear Congregant,

On behalf of Congregation Emanu El Sisterhood we invite you to participate as an underwriter of our 2027 Donor Event – **Her Score, Her Story: Celebrating the Powerful Voice of Women** - featuring 2x Tony Award-winner Shaina Taub, composer and star of the landmark Broadway musical *Suffs*. The event will be held at Congregation Emanu El on Wednesday March 24, 2027, followed by a luncheon. A portion of each ticket will benefit the Houston Area Women's Center, and your support will provide free tickets to a limited number of theatre students from the Emery Weiner School and Kinder HSPVA.

Shaina Taub's creation *Suffs* has brought the courage of women of the suffrage movement to life on the world's biggest stages. She has written for the West End alongside Sir Elton John, performed at Carnegie Hall and Lincoln Center where she played Emma Goldman in *Ragtime* and penned the Emmy-nominated opening number for the 2018 Tony Awards.

At the Donor Event, we will honor the memory of **Myra Lipper**, a beloved Emanu El leader who served as Program Director, Sisterhood President, and Congregant of the Year. She guided our congregants through life's most meaningful moments.

Empowered by strong voices, Emanu El's Sisterhood provides a variety of events, programs and support for the Congregation – including financial assistance for Helfman Religious School, Becker School, and Greene Family Camp. We are dedicated to community service, social action and education.
